The petitioner having failed in the paper, "System Control" of the 6th semester of his B.Tech. examination, applied for revaluation. The petitioner complains of delay in completion of the revaluation process.

2. The learned Standing Counsel appearing for the University submits that the University would require at least two more months' time to complete the revaluation process.

3. Having heard both sides, I dispose of this writ petition with a direction to the respondents to complete the reevaluation of the answer paper for which the petitioner has applied, and publish the results thereof, as expeditiously as possible, at any rate, within six weeks from the date of receipt of a copy of this judgment, provided the application submitted by the petitioner is in order in all respects.
